## Chapter 1 by Laura

My mind weighs heavy on my light heart  
And despite being lost in thought  
I'm feeling fine  
My heart is able to lift the weight  
That is my thoughts

Is this what happiness is?  
Is it feeling so light that I might just float up into the sky  
Like a balloon let go to travel  
All the way to the stars  
After all  
They say to reach for the stars

And to say the stars are in my dreams  
Along with you  
And I have reached those stars  
That would mean  
You came true too
